Re: Delisted Sites of Putnam County

Dear Ms. Leonj:

As per our telephone conversation this morning, find enclosed herewith, a waste disposal site report for Lake Carmel wells, a letter from the Putnam County Health Department and "Lake Carmel Groundwater Investigation - July 1982" Report.

The other two sites "Le May Optical" and "Brewster Casting Corp" were delisted at the request of the Putnam County Health Department because it has been determined that no hazardous wastes were disposed of at these sites.

If you have any questions regarding these sites, feel free to contact me at (914) 255-5453.

Sincerely,

Shaminder Singh
